Love me you wont love another
Please stay and Ill take you further

She on begging knees
Cause she dont believe
We down inside love
Somewhere inside *
Its too far deep
She gave up on hope
A long time ago
Let her tell it
Shes, love repellent
But I plan to show her

Give me your love, Hey
Give me your love, Hey
Give me your love
Baby Ill give you a reason to

Give me your love, Hey
Give me your love, Hey
Give me your love
Baby Ill give you a reason to

Love me you wont love another
Youll be half Ill be the other
Please stay and Ill take you further
Stay right here well be forever

Untie your hands
Let me be your man
Dont loose out on me
Pay attention to me
I am what you dreamed
Youre covered in tape
Unable to make noise
Like a guns to your head
A knives to your neck
And you dont have a choice

Give me your love, Hey

Give me your love, Hey
Give me your love
Baby Ill give you a reason to

Love me you wont love another
Youll be half Ill be the other
Please stay and Ill take you further
Stay right here well be forever
