Title: In My Head

By: F.A.M.E

I Have Is Love That You Engraved In Me
But...You are At The Verge Of Almost Hating Me
Cause I....Make Bigger Problems Out Of Nothing
It's Just Gotta Be Something
It's All Assumptions...Baby
I Find Myself At Your Mercy
Probably Tired Of Hearing Forgive Me
I Say It So Much That You Don't Care No More
& I Know I've Done Faults & Now Realize It's All...

In My Head

Every Time You're Not Around Me Baby I..
Get This Felling Of Jealousy & That I..
& I Don't Want It I'm Tired Of Confronting You
It Could Be Nothing But It's Certain There Is Something..

In My Head

I Blame It All On My Conscience Cause I..
Accusing You Of This Non Sense That I..
I Don't Want It I'm Tired Of Confronting You
It Could Be Nothing But It's Certain There Is Something
In My Head

Felt No Thrill In Us Of Killing Us

Where Is The Love We Had

Tell Me Is It Still In Us

& If So..Is It Real Enough

It's What We Need..

& Now You Wonder Where The Trust Is

Girl My Mind Plays Tricks On Me

& My Heart Suffered Severely

Why Do I Hurt You So Bad...

When You All I Have

This Stand That All This Lives In...

In My Head

Every Time You're Not Around Me Baby I..
Get This Felling Of Jealousy & That I..

& I Don't Want It I'm Tired Of Confronting You
It Could Be Nothing But It's Certain There Is Something..
In My Head
I Blame It All On My Conscience Cause I..
Accusing You Of This Non Sense That I..
& I Don't Want It
I'm Tired Of Confronting You It Could Be Nothing
But Its Certain There Is Something
In My Head
