Gone away for Christmas no  
I'll put you on my wish list  
All I want is you  
I already know .. stuff for me  
Under the 7 for touchy  
Don't make me wait for the morning  
Let me open you up tonight  
And wrap you girl and hold you tight  
Don't let me wait until the bells ring  
When I know you , come and get it

Chorus

Let's make love love love love  
Until Christmas  
Bring the holiday in just lay in  
Let's make love love love love  
Until Christmas  
Girl you are my present from Santa  
Let's make love love love love  
Until Christmas  
Once the .. strike it's alright we make love  
Let's make love love love love  
Love love love

Our clothes are rolling down  
So no .. under ground  
Santa Claus is now in town  
But they say he is missing out  
Don't make me wait for the morning  
Let me open you up tonight  
And wrap you girl and hold you tight  
Don't make me wait until the bells ring  
When I know you , come and get it

Chorus

Miss you all it took is believe  
And we make these light shine  
With no electricity  
When we make love

Chorus

Thanks to feel
