You hate me and wave me away (awayy)
Ohh baby you crazy, so i say
theres a feeling that lingers everyday
i must get a little more betrayed
when nothing else matters to you, you can only matter
you make the whole world feel like i wanna be the one
to catch yyeaa
any one last request i'll ask yeah,
to let me be the one, let me be one that matters

baby you may called me rude, baby i dont wanna lose
so you may call me a fool to be the one yeah let me be
the one that matters
baby if i die right now, ima always be around
i like the sound to be the one yeah but i wanna be the
one that matters

regreatful im next to on your list
sometimes you got to learn to accept it
tell your boyfriend or whoever that im here

yeah i swear that im going nowhere
but nothing else matter to you, if you dont want to
matter
and if the whole world feel like i wanna be the one to
catch yyeaa
any one last request i'll ask yeah so let me be let me
be,
girl let me be the one that matters

baby may call me rude, baby i dont wanna lose
so you may call me a fool to be the one yeah let me be
the one that matters
baby if i die right now, ima always be around
i like the sound to be the one yeah but i wanna be the
one that matters

effortlessly you think about me, you think about me
(think about me)
especially when your not around me, you think about
me, (about me)

baby you may called me rude, baby i dont wanna lose
so you may call me a fool to be the one yeah let me be
the one that matters
baby if i die right now, ima always be around
i like the sound to be the one yeah but i wanna be the
one that matters
