### Verse 1

Hate to break it down to you like this,  
But i gotta get this of my chest,  
First, let me say i love you and i put no-one above you  
girl,  
But im getting tired of them saying we dont belong,  
But its because they thinking were to young,  
From yout mam and your paps to my friends on my  
block,  
I wanna run away, you know that i would.

I give you all i got, you return every drop,  
One of these days, we're gonna fly away.

### (Chorus)

Gonna say bye bye to the world,  
Just for my girl, to be with my girl,  
Gonna say bye bye to my fam,  
Bye bye to my friends,  
I cant let this be the end (let this be the end),  
Gonna say bye bye to the world,  
Just for my girl, to be with my girl,  
Gonna say bye bye to my home,  
We'll be back when we're grown  
say bye bye to the world,  
Just say hello to my girl,

### Verse 2

They think we're to young for love,  
I know they're wrong  
Cant let us be held prisoners to their world  
Lets escape right now, on a star or a cloud  
to a place we can walk hand in hand,  
And we gon' rock it out, to hide or drop  
Never regret anything i do with you babe

I give you all i got, you return every drop,  
One of these days, we're gonna fly away.

### (Chorus)

Gonna say bye bye to the world,  
Just for my girl, to be with my girl,  
Gonna say bye bye to my fam,  
Bye bye to my friends,  
I cant let this be the end (let this be the end),  
Gonna say bye bye to the world,  
Just for my girl, to be with my girl,  
Gonna say bye bye to my home,  
We'll be back when we're grown  
say bye bye to the world,  
Just say hello to my girl,

### Verse 3

Fell so far in love,  
no-one can pick us up,  
Wish they would leave us alone,  
so we can stay forever,  
our love is so strong,  
it makes us rebeliants  
So we can be together  
I dont believe in love fairytale, no  
They're gone, and when they see us here it will be  
magical (magical)

### (Chorus)

Gonna say bye bye to the world,  
Just for my girl, to be with my girl,  
Gonna say bye bye to my fam,  
Bye bye to my friends,  
I cant let this be the end (let this be the end),  
Gonna say bye bye to the world,  
Just for my girl, to be with my girl,  
Gonna say bye bye to my home,  
We'll be back when we're grown  
say bye bye to the world,  
Just say hello to my girl,
