I never thought this fire could made our heart of gold
and even know this fire is my my heart cold
somebody tell me what this is
it must be something that i miss, baby you're so ?
But i acted like an ass, and i turned around and stept
your back
i never meant to do that
didn't think it be so bad
but if I
wouldn't know that it would be the worst today i
wouldve stayed away, and leeeeet youu alonneeee
?
i wouldve stayed away
stayed away
stayed away
oooh
stayed away
if i knew it would be the worst today
i wouldve stayed away
stayed stayed away
stayed stayed away
ey ey ey
baby i know you remember how i told you, we will be
together forever be there forever and ever, that was
the bet but it seems i lost the deal
now a new girl would never compact you will be better
ey ey ey
and i leart my lesson,
cause i messed up a good thing, clauded a diamond
and i thought you should know that i swear i never ?
Babygirl
if I
wouldn't know that it would be the worst today i
wouldve stayed away, and leeeeet youu alonneeee
?
i wouldve stayed away
stayed away
stayed away
oooh
stayed away
if i knew it would be the worst today

i wouldve stayed away
stayed stayed away
stayed stayed away
ey ey ey
