A million dollars, a millions faints
I packed up turn to beat you from my ..
..overloading pajamas ..
everything right no there's no hopes.

Chorus:

Tonight i'm sitting here thinking no gonna slow me
down
..my focus .. stop my grind stop my grind
I've been through the models ..
Waiting for most of y'all
Wish girl don't meet that car stop my grind stop my
grind
Make me through no ring no .. they call my attention
back
if she at what she at stop my grind stop my grind
spend my dollars on the girl ..make it ..good enough to
save my world
stop my grind stop my grind.

Multiple candles, multiple cars
Multiple ..nobody in the bar
..and nice cars number one having fun
..i ain't done, i ain't done

Girl to make me feel more complete
Somebody i don't need
until the ..i'ma kick riding hard

Chorus:

Tonight i'm sitting here thinking no gonna slow me
down
..my focus .. stop my grind stop my grind
I've been through the models ..
Waiting for most of y'all
Wish girl don't meet that car stop my grind stop my
grind
Make me through no ring no .. they call my attention
back
if she at what she at stop my grind stop my grind
spend my dollars on the girl ..make it ..good enough to

..saving my world
stop my grind stop my grind.
