Yeah
I walk off, but every step that i'm makin,
The tears run
So she finds me, cos if you follow the trail,
You can't get lost

So she keeps following, following, following,
Follow the sounds of my heartbeat, hearbeat, heart-
Beat out as a drum
A part of me, part of me, part of me, wants to slow
down,
And let her catch up

And maybe if she sees my cry, see the hurt I have
inside
Then she'll come running back to me
See the sun, a lot of pain, see the shame
She will have a little sympathy

Don't know how much you mean to me (much you mean
to me)
Just have a little sympathy
Baby you've got me on my knees (got me on my knees)
Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy

Usually, i don't cry but now i'm running like a faucet
(do you feel sorry?)
Say it to my eyes, (eye), your actions, your words are
nothing for me

So babe, following, following, following,
Follow the pace of my heartbeat, hearbeat, heart-
Beat loud as a bass
A part of me, part of me, part of me, wants to get
down,
And let her pick me up

And maybe when she sees my eyes, see the pain I have
inside
Then she'll come running back
See my hurt, how I work, I'm in sight
Want a little sympathy

Don't know how much you mean to me (much you mean
to me)
Just have a little sympathy
Baby you've got me on my knees (got me on my knees)
Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy

Following, follow me, following,
Follow the pace of my heartbeat, heartbeat, heart-
Beat loud as the bass
A part of me, part of me, part of me, wants to get
down,
And let her pick me up

And maybe when she sees my eyes, see the pain I have
inside
Then she'll come running back
See my hurt, how I work, I'm in sight
Want a little sympathy

Don't know how much you mean to me (much you mean
to me)
Just have a little sympathy
Baby you've got me on my knees (got me on my knees)
Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy
Hey, hey, hey, hey (oh)
Girl, Have a little sympathy
