Searching for her I think I found her
But in the .. my girl another round her,
said she is sleeping more than she should
tell me they do this, but tonight she would
we're going back .. shawty keep shooting
any on a ride, any got a woven
dress to perfection.. inspection
began to protection, I don't need infection.

Chorus:

'cause I make a say, let's have a ... I'm like Ok
She don't usually do this, that's what she say
But she say she usually don't do this
But tonight what she's picking up the clothes
.. she don't even know ..don't want me to stop no no, no
She usually don't do this, that's what she say
She usually don't do this, that's what she say
But tonight she will, she will, she will, she will, she will.

Hey, innocence deep in her brown eyes
That bottom keeps her from being so shy
... b*tch dancing in this club
Watching that .. on me up
We're blowing up smoke, keep inhale
Everybody keep .. no retailing
Dress to perfection .. inspection
began to protection, I don't need infection.

Chorus:

'cause I make a say, let's have a ... I'm like Ok
She don't usually do this, that's what she say
But she say she usually don't do this
But tonight what she's picking up the clothes
.. she don't even know ..don't want me to stop no no, no
She usually don't do this, that's what she say
She usually don't do this, that's what she say
But tonight she will, she will, she will, she will, she will.

Like she want me to bed acting scared
I could give you .. long she ..
Under the sheet she super freak

..baby baby baby baby
And .. and I the only guy told this to ..
Just want to be my lady, lady, lady, lady.

[Chorus:]

Thanks to garbo
