So very young
A jerk he made ya
Down the neck
Here's another big shout out to ya
Seven days
Filled with wonder
And Abraham and Isaac are the angels come together

Was it worth it?
Mmm, was it worth it?
Yeah, was it worth it?
To my father
My mother
And my brother
Was it worth it?
The headaches
The worries
And the good days
Was it worth it?

You're the first
And everybody took a trip to heaven
Seven hours filled with wonder
And Becky said I'm marking out the angels all together
Was it worth it?
Mmm, was it worth it?
Mmm, was it worth it?
Mmm, was it worth it?
Was it worth it?
The lying
The crying
And the fighting
Mmm, was it worth it?
The judgement
The time spent in denial
Mmm, was it worth it?
To my father
My mother
And my brother
Mmm, was it worth it?
The headaches

The worries
And the good days

(musical interlude)

Was it worth it?
The lying
The crying
And the fighting
Mmm, was it worth it?
The judgement
The time spent in denial
Mmm, was it worth it?
To my father
My mother
And my brother
Mmm, was it worth it?
The headaches
The worries
And the good days
Mmm, was it worth it?
The lying
The crying
And the fighting
Mmm, was it worth it?
The judgement
The time spent in denial
Mmm, was it worth it?
To my father
My mother
And my brother
Mmm, was it worth it?
The headaches
The worries
And the good days
