Na na na na na na na na na na na na na na na
Na na na na na na na na na na na na na na na

I met a little girl just the other day
Her name is Fancy Nancy she's got more than I can say
She's got a real gone stature with a shapely strut
I get the shakin' shimmies every time she calls me up

Fancy Nancy woo
Fancy Nancy yeah
She's got it all

Na na na na na na na na na na na na na na na
Na na na na na na na na na na na na na na na

She took me out a-riding in her Connie Mark IV
It had-a purple suede panels and a big mink floor
She was wearing ginchy garments and her sweater fit
her tight
We're reported to the bakers that some leopard lost a
fight

Fancy Nancy
Fancy Nancy
She's got it all

Na na na na na na na na na na na na na na na
Na na na na na na na na na na na na na na na

Well I went and ripped it up with my lassie Tallahassee
My Kansas City baby was a-swinging jumping up
Freezin' Jean from New Orleans was so fine and classy
too
But Fancy Nancy made the scene and then I met my
Waterloo

Fancy Nancy woo
Fancy Nancy yeah
She's got it all

Na na na na na na na na na na na na na na na
Na na na na na na na na na na na na na na na

Fancy Nancy yeah
Fancy Nancy woo
She's got it all
