Tim smokes another cigarette  
Looks out the window  
And trys to ignore the safetynett  
Tim grabs a gun to play roulette  
Eyes around the corner  
Fixing to get buyal, no regret

Behind the door  
All youÂ´re looking for  
WeÂ´ll love first the world come stumbling down  
And even so  
Your wanting more  
WeÂ´ll keep spinning until we hit the ground

You and I will never die  
And the angel never fall  
We fight side by side  
Our backs against the wall  
One day our fight will come  
And wash our sins away  
When the bank shots at the world  
Bullets ricochet

Tim trapt in silent  
Still pointing a finger  
Writing the lines of the emty set  
Tim like a broken bayonet  
Stumbles up the pavement  
Striking up paw in ultra violent

Behind the door  
All youÂ´re looking for  
WeÂ´ll love first the world come stumbling down  
And even so  
Still wanting more  
WeÂ´ll keep spinning until we hit the ground

Tim never knowing what you get  
Fighting itÂ´s billits  
Wanting to stop but still loving it  
Tim smokes another cigarette  
And painting a picture

Stucking out hope, trying to forget
