If you're down and confused  
And you don't remember  
Who you're talking to  
Concentration slips away  
Because your baby is so far away

Well, there's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey, love the one you're with  
You got to love you're with  
You got to love you're with  
You got to love you're with

Don't be angry, don't be sad  
Don't sit crying  
Talking 'bout the good times you had  
Well, there's a girl sitting right next to you  
And she's just wating for something to do

Well, there's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey, love the one you're with  
You got to love you're with  
You got to love you're with  
You got to love you're with

Don't be angry, don't be sad  
Don't sit crying  
Talking 'bout the good times you had  
Well, there's a girl sitting right next to you  
And she's just wating for something to do

Well, there's a rose in a fisted glove  
And the eagle flies with the dove  
And if you can't be with the one you love  
Honey, love the one you're with

Turn your heartaches  
Right into joy now, well

She's a girl,yeah,and you're a boy  
I want you to get it together and make it nice  
Well, you ain't gonna need any more advice

Love the one you're with
