Open throated shrieking nature  
Living inside alone alive  
Gold dusted broken beggar  
Walking deserts of disgust

Praying through broken lips  
Searching through blinded eyes  
Gold dusted broken beggar  
Living inside alone alive

Burning  
In water  
Drowning  
In flame

Inside my house my home  
Living on spiders time  
Knowing life drive me blind  
Ghost of solutions evade my mind

Angel dusted infected leper  
Wandering streets of gold and lust  
Making love to every healer  
Every healer to destroy my trust

Burning  
In water  
Drowning  
In flame

One silver bullet from god's own gun  
Chemical equation for flying to the sun

Burning  
In water  
Drowning  
In flame

Angel dusted infected leper  
Wandering streets of gold and lust  
Making love to every healer  
Every healer to destroy my trust

Open throated shrieking nature  
Living inside alone alive  
Gold dusted broken beggar  
Walking deserts of disgust

Burning  
In water  
Drowning  
In flame
