### "Charlie Big Potato"

I awake, from blood thick dreams, washing blame,  
from my knees,  
Softly done, so secretly, I'm awake as charlie sleeps  
A lone brother, a lone sister, a home cover, alone  
I awake, dry the scream, spit the vile breath, till my  
tongue bleeds,  
Thinks it's all gone, famously, broke the hard girl, good  
to please  
A lone brother, a lone sister, a home cover, alone  
Tell it like it is, tell it like it is, tell the sordid truth,  
Tell them, tell it like it is, tell them.  
A lone brother, a lone sister, a home cover, alone
