I wanna love you  
Like I've never loved you tonight  
If it's alright  
I wanna tell you things I've never said  
In my life  
I'm gonna hold you when the sun refuses to shine,  
yeah  
I wanna show you that I'll always be by your side, oh

When you call my name  
And you need me there  
Girl you know  
That I will be waiting for you  
When you close your eyes  
And you see me there  
Don't you know  
That I will be waiting

I wanna kiss you like  
I'll never kiss you again  
If it's okay  
I can't imagine loving any other this way, whoa

When you call my name  
And you need me there  
Girl you know  
That I will be waiting for you  
When you close your eyes  
And you see me there  
Don't you know  
That I will be waiting

When you call my name  
And you need me there  
Girl you know  
That I will be waiting for you  
When you close your eyes  
And you see me there  
Don't you know  
That I will be waiting

So what'cha wanna do?

I wanna be with you  
I know you like my style  
So why don't you stay a while  
And when you want me to  
I'll wait for you

When you call my name  
And you need me there  
Girl you know  
That I will be waiting for you  
When you close your eyes  
And you see me there  
Don't you know  
That I will be waiting

When you call my name  
And you need me there  
Girl you know  
That I will be waiting for you  
When you close your eyes  
And you see me there  
Don't you know  
That I will be waiting

You'll call my name and I'll be there  
You'll call my name babe  
Oh ooh oh yeah, yeah, yeah  
Call my name yeah
