Never, never.  
(nananananananana)  
Moves around, moves around like a boomerang.  
What you heard bout me, to do your own thing.  
Moves around, moves around like a boomerang.  
Maybe like, maybe like the sucker of a party.  
x2

### Verse 1:

Used to tear up my heart, when i see somebody with  
you.  
(See somebody with you)  
It's kinda funny, but now i cant be bothered to miss you.  
(Can't be bothered to miss you)

### Chorus:

I hope this hurts your feelings.  
(Moves around, moves around like a boomerang what  
you heard  
about me to do your own thing)  
Never Never  
I hope you can't believe this  
(Moves around, moves around like a boomerang what  
you heard  
about me to do your own thing)  
Never Never

### Verse 2:

I wear the same kinda smile now that I used to be with  
you.  
(Same kinda smile)  
But never, never would my lips ever want me to kiss  
you.  
(No, never kiss you)

### Chorus:

I hope this hurts your feelings.  
(Moves around, moves around like a boomerang what  
you heard  
about me to do your own thing)  
Never, Never (never, never)

I hope you can't believe this.  
(Moves around, moves around like a boomerang what  
you heard  
about me to do your own thing)  
Never, Never. (never, never. why can't you see me)  
Ooooh.

Rap:

To the ladies in the house now don't be shy.  
Dip a little deeper in your butterfly.  
In a little madness I must confess.  
God gave you the jiggy and the jiggy is blessed.  
To the ladies in the house now don't be shy.  
Dip a little deeper in your butterfly.  
In a little madness I must confess.  
God gave you the jiggy and the jiggy is blessed.

Chorus:

I hope this hurts your feelings.  
(Moves around, moves around like a boomerang what  
you heard  
about me to do your own thing)  
Never, never.  
I hope you can't believe this  
(Moves around, moves around like a boomerang what  
you heard  
about me to do your own thing)  
Never, Never

(Repeat until end)
