Two sisters waiting in the garden silent
A couple sitting on the stair

A family eating from a takeout menu
A table sit next to a chair
Oh in the kitchen with the radio on
With mama singing in the hall

Red carpet stuck up on the wall
Newspaper spread out on the floor
Me casa su casa I say
I'm gonna make my way

Now I'm heading for home
I've been away too long
Time to return has come
Soon I must get on
Home
I come and go
Greener the grass may grow
Now I'm heading home
Home

Girl in stilettos with a
Swinging her handbag in the leaves
A man passing while his house is burning
A group of children in the trees
A jealous husband through a keyhole watching
A docket lady on her knees
Fantastic implacid go silk
White as milk

Now I'm heading for home
I've been away too long
Time to return has come
Soon I must get on
Home
I come and go
Greener the grass may grow
But I return to home
Home
