(Ahahaha, ahahaha, ahahaha)

You always find me makin' time for you
(You always find me)
So many dreams to come true
No room for failure, we can't be fooled

Take a look at what we've got
(Take a look at)
Each other for one another
Friends to the end

Here we go
We stand together through these hard times
Don't let these days pass you on by
I believe in, you better believe that

I believe in you, oh, yeah
(You, you, oh)

(Ahahaha, ahahaha)
(Ahahaha, ahahaha)
(Ahahaha, ahahaha)
(Ahahaha, ahahaha)

So now you look at me, while I'm lookin' at you
I think to myself, I'm watchin' out for you
Let's take a chance together, never had before

When I think about, thinkin' of you
(When I think about you)
It feels like there's nothing else to do
We took a chance together

Here we go
We stand together through these hard times
Don't let these days pass you on by
I believe in, you better believe that

I believe in you, oh
(You, you, oh)
I know that

(Ah)
You want it all
(Oh, oh)

We stand together through these hard times
Don't let these days pass you on by
I believe in, you better believe that
I believe in you, oh
(You, you, you)

I believe in, you better believe that
(Believe it's true)
I believe in you, yeah
(Oh, oh, oh)
(Oh yeah, oh)
