Verse 1.

Seven thousand soldiers
But only one footprint on the ground

Verse 2.

Take your time for orders
And cross the line before last call...

Chorus

Holders and keepers
In all seven towers
For hours and hours
Till the end of the world

Verse 3.

When all the doors are open
But there is no way to get in

Verse 4.

Tell me if it is so easy
Why are we to blind to see...

Tell me if it so easy
Why are we to blind to see
Seven thousand soldiers
Seven thousand soldiers
