I've, been waiting on the side, on the border line. Oh oh  
oh. Why you're wasting all your time? Thinking that  
you're mine?

Now boy this ain't no game, so don't treat me like a  
hoe! You're the reason why a girl like me just wants to  
touch and go. You think you know me, don't get to cozy  
saying no at all. Oh at all.

I'm runnin' 'round the world got them hot n' low. Baby, I  
need to turn you on so don't get too close. Will we ever  
meet again? I don't know. Why don't we just touch and  
go? Touch and go.

You, you have it on your mind. Almost all the time. It  
takes two. You got a lot to lose, so come on make  
move.

Now boy you're just so late, ya you move too slow.  
You're the reason why a girl like me just wants to touch  
and go! You think you know me, don't get too cozy  
sayin' no at all. Oh at all.

I'm runnin' 'round the the world got them hot 'n low.  
Baby, I need to turn you on so don't get too close. Will  
we ever meet again? I don't know. Why don't we just  
touch and go? x2

(touch and go x2) Boy this ain't no game, so don't treat  
me like a hoe. You're the reason why a girl like me just  
wants to touch and go.

I'm runnin' 'round the world got them hot 'n low. Baby, I  
need to turn you on, so don't so don't get too close. Will  
we ever meet again? I don't know. Why don't we just  
touch and go? x2

Touch and go... Turn on... Will we ever meet again? I  
don't know. Why don't we just touch and go? x2

Touch and go.
