I am done  
Smoking gun  
We've lost it all  
The love is gone

And she has won  
Now it's no fun  
We've lost it all  
The love is gone

And we had magic  
And this is tragic  
You couldn't keep your hands to yourself

I feel like our world's been infected  
And somehow you left me neglected  
We've found our lives been changed  
Babe, you lost me

And we tried  
Oh, how we cried  
Oh, we lost ourselves  
The love has died

And though we tried  
You can't deny  
We're left as shells  
We've lost a fight

And we had magic  
And this is tragic  
You couldn't keep your hands to yourself

Oh, I feel like our world's been infected  
And somehow you left me neglected  
We've found our lives been changed  
'Cause babe, you lost me
