Hey, did somebody break your heart
With a careless word?
Did someone tear your life apart
Never knowing you were hurt?
Or did somebody try to break you in two
For a laugh, to see what you would do?
Well, if someone broke your heart, let me fix it up for
you.

Anyone could look into your eyes (anyone...)
And see what youÃ¦Å Â³e been through.
But now youÃ¦Å Â³e got to realize,
ThereÃ¦Å Â¯ just one broken heart, not two.
ItÃ¦Å Â¯ only happening to you, itÃ¦Å Â¯ true.
DonÃ¦Å Â° you know what he would do?
HeÃ¦Å Â¯ out having some fun
While you stay at home, having none.
He doesnÃ¦Å Â° even know; he doesnÃ¦Å Â° even care.
It doesnÃ¦Å Â° even matter if youÃ¦Å Â®e even there.

Step out, step out on him tonight.
Step out, step out, step out with me, now.
Let me fix it up for you.
Step out, step out, step out on him, girl.
Step out, step out with me, now.
Let me fix it up for you.

He doesnÃ¦Å Â° even know; he doesnÃ¦Å Â° even care.
It doesnÃ¦Å Â° even matter if youÃ¦Å Â®e even there.
Tonight...
Step out, step out with me, girl;
Let me fix it up for you.
Step out, step out, step out...
