(Seto:Virtual systems ready)

Got to find a way just to play just a little game
Got a complusion, want to be a champion
Got to feel the heart, got to be smart play the card
Got to get inside the mind of my counterpart

Yeah!

That's the key, I'm a split personality
Duel Sensation, that's my destiny

I've got Duel Monsters in my brain
Monster influence, in my veins

Got to find a way inside this fantasy
Holographic Dueling Monster reality
Got to find a way, got to see my strategies
Yu-Gi-Oh! I'm a dual duality

I've got Duel Madness in my brain

Summon the Dragon. Blue-Eyes White
Send in the Swords of Revealing Light

Will Yugi control the power
Or will the power control Yugi?

Got a card face down, make a face-up crowd
Face up, showdown, say the words out loud

Duel Madness!

I've got Duel Madness in my brain
Monster influence, in my veins

Got to think be wise, realize the situation
Animate your cards, make a power combination

Sick-a-pow, Sick-a-Pow
Sick-a-sick-a-pow, Pow
Wanna do, wanna do

What I wanna wanna do?

Sick-a-pow, Sick-a-Pow
Sick-a-sick-a-pow, Pow
Wanna do, wanna do
What I wanna wanna do?

Sick-a-pow, Sick-a-Pow
Sick-a-sick-a-pow, Pow
Wanna do, wanna do
What I wanna wanna do?

I've got Duel Madness in my brain
Monster influence, in my veins

I've got Duel Madness in my brain
Monster influence, in my veins

I've got Duel Madness in my brain
Monster influence, in my veins
