Hardway  
Hardway

Now, I've been high and I've been low  
I've been some places that you will not go  
I never thought there would come the day  
When I wished I never would've lived this way

But I've been searching for a long, long time  
I thought the devil was a friend of mine  
I turned my back on everything that was true  
I wasted years that belonged to You

Some people gotta learn the hardway  
And I guess I'm the kind of guy  
Who has to find out for myself  
Had to learn the hardway, Father  
I'm on my knees and I'm crying, crying

It took so long for me to see  
That I'm a victim of the nature and me  
I never thought there would come the day  
When I wished I never would've lived this way

But you accept me every time and again  
You never mention, how selfish I've been  
Why must it always take me so long to see  
That I have fallen but you will forgive?

Some people gotta learn the hardway  
And I guess I'm the kind of guy  
Who has to find out for myself  
I had to learn the hardway, Father  
I'm on my knees and I'm crying, I'm crying, for Your  
help

I need Your help  
I need Your help  
I need Your help

Some people gotta learn the hardway

Ya, the warning signs are like flares in my night  
Still I proceed my greed is in spite of the fire  
I know that's bound to burn  
Why is it that I always gotta learn, learn the hardway,  
the hardway?  
I got to learn the hardway

Some people gotta learn the hardway  
And I guess I'm the kinda guy  
That has to find out for myself  
I had to learn the hardway  
I'm on my knees and I'm crying

Some people gotta learn the hardway  
And I guess I'm the kinda guy  
That has to find out for myself  
Had to learn the hardway, Father  
I'm on my knees and I've got to find out for myself  
Hardway, hardway

Some people gotta learn  
I'm gonna find out  
Hardway, hardway

I need Your help  
I'm gonna find out  
Hardway, hardway

I need Your help  
Some people gotta learn  
Hardway, hardway

I need Your help  
I'm gonna find out for myself  
Hardway, hardway
