Jesus is still alright with me
Jesus is still alright, oh yeah
Jesus is still alright with me
Jesus is still alright, yeah

Toby Mac and the Mac is back no slack
On a DC track that's jacked
Beyond comprehension
I believe that I failed to mention that

There's a lack of recognition
When it comes to His position
'Cause if Christ can't be crossed over
Then I'll keep my beat up Nova

Jesus is still alright with me
Jesus is still alright, oh yeah
Jesus is still alright with me
Jesus is still alright, yeah

I don't care what they may say
I don't care what they may do
I don't care what they may say
Jesus is still alright, He's alright with me ya

Back in place, and I'm all up in your face
With a rhyme that I embrace
Like a mother to her child
I'm kickin' it Jesus style

To the ones that think they heard
I did use the "J" word
'Cause I ain't too soft to say it
Even if DJ's don't play it

Do do do dupe dupe dupe do do
Do do do dupe dupe dupe do do
Do do do dupe dupe dupe do do
Jesus is still alright
Oh, I'm hopin' and I'm praying

Jesus is still alright

Jesus is still alright, oh yeah
Jesus is still alright
Jesus is still alright, yeah

Jesus don't ya know, He's my friend
And I said Jesus, He is my friend
He took me by the hand
[Inaudible] land
Jesus, He's my friend

I'm down with the one that is known as the Son
Of the G to the O to the D never done
With the flow, in the know, on the go like a pro
Not for show 'cause I ain't in the biz for the dough

Or the me, or the ray, all the dough's gotta stay
'Cause I can't, no I can't, take it home anyway
Never trite when I write 'cause the Lord is my light
And His Word is my bond so ya know, know, know He's
alright

Jesus is still alright with me
Jesus is still alright, oh yeah
Jesus is still alright with me
Jesus is still alright

And I don't care what they may say
I don't care what they may do
I don't care what they may say
Jesus is still alright

Do do do dupe dupe dupe do do
Do do do dupe dupe dupe do do
Do do do dupe dupe dupe do do
Jesus is still alright
He's alright
