Title

Jesus Freak

Song Lyrics

[what will people think

When they hear that i'm a jesus freak?

What will people do

When they find that's it's true?]

Separated, i cut myself clean

From a past that comes back in my darkest of dreams

Been apprehended by a spiritual force

And a grace that replaced all the me i've divorced

I saw a man with tat on his big fat belly

It wiggled around like marmalade jelly

It took me a while to catch what it said

Cause i had to match the rhythm

Of his belly with my head

'jesus saves' is what it raved in a typical tattoo green

He stood on a box in the middle of the city

And claimed he had a dream

(chorus)

What will people think

When they hear that i'm a jesus freak

What will people do when they find that it's true

I don't really care if they label me a jesus freak

There ain't no disguising the truth

Kamikaze, my death is gain

I've been marked by my maker

A peculiar display

The high and lofty, they see me as weak

Cause i won't live and die for the power they seek

There was a man from the desert with naps in his head

The sand that he walked was also his bed

The words that he spoke made the people assume

There wasn't too much left in the upper room

With skins on his back and hair on his face

They thought he was strange by the locusts he ate

The pharisees tripped when they heard him speak

Until the king took the head of this jesus freak

(repeat chorus 2x)

People say i'm strange, does it make me a stranger

That my best friend was born in a manger

People say i'm strange, does it make me a stranger

That my best friend was born in a manger

(repeat chorus 2x)

What will people think

[what will people think]

What will people do

[what will people do]

I don't really care

[what else can i say]

There ain't no disguising the truth

[jesus is the way]
