Wide awake, chasing sleep  
Life's so bittersweet  
Like a dream, remembering  
When I could talk to you  
We were safe in a world of harm  
Before I knew it our love was gone  
I miss you so much

(chorus)  
I'm looking for you  
Cause you're all that's true to me  
You make me smile

I had to fall, and lose it all  
But that's all right with me  
You pushed aside my selfish pride  
You opened up my eyes  
When I was lost you came to me  
You crossed the oceans to set me free  
I need you so much

(repeat chorus)

You, you're all I ever needed  
I know, I know  
Only you, you're all I ever wanted  
I know, I know  
You, you're more than a dream  
Yeah, you're everything  
My own symphony, you're my destiny

(repeat chorus)

I'm Looking for you  
Ooh, I sing this for you  
Cause nothing's as true to me  
You make me smile  
So I smile, yeah I smile  
Every time I think of you  
I smile, I do  
Oh, every time I think of you

I'm looking for you  
Cause you are my soul's desire  
I'm searching for you  
Yes, you are my soul's desire  
I'm looking for you  
Cause you are my soul's desire  
You are my soul's desire  
My soul's desire  
My soul's desire  
(Oh yeah, oh yeah)  
You are, you are

My soul's desire, My my my soul's desire  
Oh yeah, oh yeah, You are, You are
