I ain't tryin' to dog the old man in red  
The white beard or the flyin' sled  
Truth be known I always did enjoy  
The thought of santa bringin' all the toys  
But now rudolph, frosty, and the gang  
Christmas it wouldn't have been the same  
But our minds didn't miss a line  
See, this season was once defined  
As a birthday for a mighty king  
"yo, hark!" the herald angels sing  
About peace and mercy all the while  
Yo, on this day we were reconciled

(chorus)  
There is a reason for the season  
[hey!]  
Jesus is the reason  
There is a reason for the season  
[hey!]  
Jesus is, jesus is the reason

He's the reason for the season and my reson to rap  
Ya know he put bethlehem on the map  
When he was born of a virgin with man and God  
mergin'  
Can't you see that the truth keeps searchin'  
On and on and it never ever stops y'all  
So break it down and listen as the beat drops  
Have you forgotten about the one  
The birthday of god's only son?  
It's the one gift some refuse to take [word!]  
They soon find that they made a mistake  
Because now is the time that grace abounds  
And now is the time that you should be layin' a crown  
The givin' and receivin's all fine and grand  
I just want you to understand that

(repeat chorus)

(bridge)  
Silent night  
[oh silent night]

Oh holy night  
[oh holy]  
All is calm  
And all is bright  
Ha ha!  
We're gathered in your face!

Christmas it's a festive time  
So I decided to deliver a rhyme  
In the mood of the season that's pleasin'  
But in reality what's the reason for christmas?  
It's before your eyes  
The first six letters drop the why's  
Yo! c-h-r to the i-s-t  
So much than just history  
See, he is the gift from God the big g  
And his blood [yo!] will set you free  
So take the gift from the father above  
Yo! enjoy some of this christmas love

Ah yeah
