Was at the end of my rope, had nowhere to go
Was at the end of my rope, I had nothing to show
Until the day that I turned to You, was at the end of my

What? You talking to me?
You talking to me?
You call me crazy
You call me crazy
You call me crazy
You call me crazy

You call me crazy, man, You make my day
My state of residence was disarray
At every party and as far as anybody knew
Everything was cool

But the truth was bottled up inside of me
I was as lonely as a man could be
And my two hundreds friends couldn't fill the void in
my soul
It was a giant hole

Nothing made any sense
I thought there would never be an end
Then love came knocking at my door

And since I met You I've been alright
You turn all my darkness into light
And since I met You I've been okay
I've been alright
(You know I've been alright)

Since I met You I've been okay
You're rolling my winter into May
And since I met You I've been alright
I've been okay
(Since I met You)
I've been okay
(Since I met You)

You got me feeling like a million bucks
Some people write it off as Irish luck

But I know better 'cause my rabbit's foot
Never did me a bit of good

The truth, it hit me like a sock in the eye
A revelation that I can't deny
Your love has overtaken every little part of me
You were what I needed

I'm carried away
Never seen the sunshine like today
You made something of my life

And since I met You I've been alright
You turn all my darkness into light
And since I met You I've been okay
I've been alright
(You know I've been alright)

And since I met You I've been okay
You're rolling my winter into May
And since I met You I've been alright
I've been okay
(Since I met You)
I've been okay
(Since I met You)

Was at the end of my rope
I had no where to go, go
Was at the end of my rope
I had nothing to show
Until the day that I turned to You

Was at the end of my rope
I had nowhere to go, go, go
Was at the end of my rope
I had nothing to show
Until the day that I turned to You
Was at the end of my rope

Yeah, that's right, I'm talkin' to You
Since I met You
(Sick and tired)
Since I met You
(Sick and tired)

Sick and tired of the same ol' fluff
You came along and You shook me up
You got me tripping on a vision of eternity
I can see it clearly

And since I met You I've been alright

You turn all my darkness into light
And since I met You I've been okay, I've been alright
(You know I've been alright)

Since I met You I've been okay
You're rolling my winter into May
And since I met You I've been alright
I've been okay
(Since I met You)
I've been okay
(Since I met You)

I've been okay
(Since I met You)
I've been okay
(Since I met You)

Was at the end of my rope
(With nowhere to go)
I had nowhere to go, go
(Nowhere to go)

Was at the end of my rope
(With nothing to show)
Had nowhere to go, go, go
(I had nowhere to go)

Was at the end
(I had nowhere to go)
Of my rope
(I had nowhere to go)

Was at the end
(Nowhere to go)
Of my rope
(I had nowhere to go)
Was at the end then I met You

Nowhere to go
