I've watched you watchin' me
But I can't see what you see
You ask me how I feel
But you don't believe me still

No
Cause what I say
Is here today
And gone tomorrow

(chorus)
You treat me like a spy
When I come around
Just like a private eye
Roamin' through your town
You treat me like a spy
And I can't see why
If only looks could kill

You taunt me
You doubt my faith
But you shove it in my face
You tempt me
But I won't bend
You've wasted your time again

Yeah
And it's a shame
Will you ever change
You're so suspicious

(repeat chorus)

You treat me like a
You treat me like a
You treat me like a spy
