Ahh yeah, yeah  
Here we go, yo  
Kick it, T  
Yo man, is in the house, yeah boy  
DC's in the house, ahh yeah  
K Max's in the house  
[Incomprehensible]  
Oh definanty

Word 2 the father  
Word 2 the father  
Word 2 the father  
Word 2 the father

We're here to say word 2 the father up in Heaven  
A shout out loud from me, Mike, and Kevin  
Some may wonder what we're talkin' about  
When word is heard it's like a church that shouts,  
"Amen"  
It breaks down to approval  
Those in the pews may find it unusual  
We're here to get them to loosen their collars  
And use this to say word 2 the father

Word, say word 2 the father  
Above any other, say word to the father  
Pump, pump, pump, pump it up  
Word, say word 2 the father  
Above any other, say word to the father  
Pump, pump, pump, pump it up

It's like that y'all, that y'all, that y'all, that y'all  
[Incomprehensible] is like that y'all  
It's like that y'all, that y'all, that y'all, that y'all  
[Incomprehensible] is like that y'all

Once again we're here to drop some science  
Standin' up tall in the land of giants  
Steadily keepin' our message intact  
And the truth is, it's a matter of fact  
That this goes out to the one we look to  
Hopin' that the message in our jam would hook you

Up in a hurry so that you could be locked in  
This is a bond that you oughtta take stock in

This is a shout out to heaven  
From Toby, Mike and Kevin  
Straight up propers to the papa  
And can't nobody stop us  
'Cause we'll do this, like Brutus  
We told you we ain't new to this  
So jump on it like a hornet  
And we got no other word than

Word, say word 2 the father  
Above any other, say word to the father  
Pump, pump, pump, pump it up  
Word, say word 2 the father  
Above any other, say word to the father  
Pump, pump, pump, pump it up

When DC talks, he works like this  
I luv rap music, can I get a witness?  
He's doin' nothing so the children can live  
Without the things of this world that only he can give  
We need to talk it out, stop spinnin' around  
So let's take it to the Lord if we're Heaven bound  
Ya see time is tickin' away so we gotta come harder  
We're tearin' down walls with a word 2 the father

God is always workin', workin'  
Hallelujah  
God is always workin', workin'  
Hallelujah

Word, say word 2 the father  
Above any other, say word to the father  
Word, say word 2 the father  
Above any other, say word to the father

Word, say word 2 the father  
Above any other, say word to the father  
Pump, pump, pump, pump it up  
Word, say word 2 the father  
Above any other, say word to the father  
Pump, pump, pump, pump it up

Word 2 the father  
Word 2 the father up above  
Singing word 2 the father  
Word 2 the father up above

I give my life to you

In everything I do  
These words I sing to you  
This love I know will never end

It's a trip  
It's got a funky beat  
And I can bug out to it
