Another scary night  
(Chi-ka)  
Another spooky fright  
(Chi-ka)  
And you just might be in danger

Oh the ghost is here  
And it's always a fake  
The ghost is here  
There's no reason to shake  
The ghost is here  
Oh give us a break  
It's fake

Another ghoul attack  
(Chi-ka)  
She's breathing down our back  
(Chi-ka)  
So we're making tracks for the exit

Oh the ghost is here  
It's a crook in a suit  
The ghost is here  
He's protecting some loot  
The ghost is here  
Oh give him the boot  
He's fake

It doesn't matter where we go  
We know  
A ghost is gonna show and so  
We look for the bogus  
We look for the scam  
And every time the ghost is a sham

We see an eerie light  
And if the mood is right  
Then you just might sight a monster

Oh the ghost is here  
It's our frightening task  
To face our fears

And the creep in the mask  
So the ghost is here  
There's no reason to ask  
He's fake

Oh the ghost is here  
It's a crook in a suit  
The ghost is here  
He's protecting some loot  
The ghost is here  
Oh give him the boot  
He's fake

We see an eerie light  
And if the mood is right  
Then you just might sight a monster

Oh the ghost is here  
It's our frightening task  
To face our fears  
And the creep in the mask  
So the ghost is here  
There's no reason to ask  
He's fake!
