If I did not have an ego I would not be here tonight  
If I did not have an ego I might not think that I was right  
If you did not have an ego you might not care the way  
you dressed  
If you did not have an ego you'd just be like the rest

Chorus

Ego is not a dirty word  
Ego is not a dirty word  
Ego is not a dirty word  
Don't you believe what you've seen or heard

If Jesus had an ego he'd still be alive today  
And if Nixon had no ego he might not be in decay  
If you did not have an ego you might not care too much  
who won  
If I did not have an ego I might just use a gun

Chorus

Some people keep their egos in a bottom drawer  
A fridge full of Leonard Cohen  
Have to get drunk just to walk out the door  
Stay drunk to keep on goin'  
So if you got an ego  
You better keep it in good shape  
Exercise it daily  
And get it down on tape

Chorus (3 times)

Ego
