Times have changed
We are breaking apart
I don't know how we can do this anymore
You walked out the door
As I slammed it in your face
All I can do is stay awake
Waiting for your call
Why must I take the pain
Or am I going (Insane)-Whispered

[Chorus]
The fights we have
Your driving me crazy
I just can't see
How are we still together
You drive me up the wall
You kick my spirits down
I don't know how I'm not Insane
(Yeah x2)
How am I not Insane?

You call me on your phone
Can't leave each other alone
We still are questioning
How we still are sane
I'm tired of the hurting
Is it all really worth it
I feel like going crazy
So why are you still my baby?

[Chorus Repeat]

You've driven me crazy
With all the hateing
I can't seem to focus lately
I'm not walking on a straight line
When will I be fine

[Chorus Repeat]

Why must I take the pain?
Or am I going Insane?
