You got a lot of nerve  
Putting yourself up  
And taking others down  
But it's coming soon  
You'll get what you deserve  
You blame everything on others  
And it's never your fault  
Or that's so what you think  
The bullet will come flying  
And you will sink  
In all your lies

[Chorus]  
Wake up  
Don't blame this on me  
Shut Up  
This is all you'll ever be  
I'm tired of your lying  
Blaming this on Me  
So just wake up  
From your little Dream  
Your living in your own world  
Where your the best thing that can be  
So just Wake Up  
Come Back to Reality

How long did you think this could last  
Blaming others and just putting it in the past  
You probally think this is Funny  
But noones laughing  
Oh your so cocky  
You'll find it Baffling  
When you find out  
Who this song is about

[Chorus repeat]

I'll be your worst nightmare  
I'll even be in your dreams  
Where you can run  
Anywhere from me  
But I wont do that

All this will Catch up with you eventually

[Chorus Repeat]
