Draw a blank
This one's for the crowd
Take away the covers
And reduce you
To a picture of a heart
Less human, more machine
Forget the price
Your head will pay
It's overflowing
And she's not coming back
It's wider than fighting
For your country
Curtains closed
Turn around jump, jump
This is the break time
Sing, sing capulet, sing for me
Sing, sing capulet, sing for you
Don't worry, don't panic
This scenes going to tear you in two
Brothers in arms, who fall as one
Can only be destroyed by a mans true fault
Jealousy and rage, smart thinking love
What a sense of achievement
Walking into rock and roll
And walking out of a business party
It's wider than fighting for your country
Curtains closed turn around jump jump
This is the break time
Sing, sing capulet, sing for me
Sing, sing capulet, sing for you
Don't worry, don't panic
This scenes going to tear you in two
