Well can I expect anything more from you than what I  
have already gotten from you this time  
It's more then over in my mind  
Tell me your secrets now  
Tell all me your secrets now  
Don't hold back  
Cause you know that I miss all the times that we used to  
spend together  
I know you won't forgive me so don't waste your time  
It feels just like this is  
The end of my life  
When I took the photo album down from the attic  
Not to think about you but to leave you behind  
Bloodlust quenched forever changing my sense of  
revenge  
Throw away all these memories  
I'm moving on with my life without you by my side  
I'm anticipating my new life  
Without you by my side  
Bloodlust quenched forever changing my sense of  
revenge  
This is not who I am  
I've made mistakes but you should know that I'm your  
friend  
But you always think about your self and no one else  
tell me your secrets now  
Tell all your secrets now  
Don't hold back  
Cause you know that I miss all the times that we used to  
spend together
