O, Yarila! God of Sunlight!
O, Yarila! Defender of Fate!
I am your Son, give me your Immortal Soul!
You see... Others Gods came into this World...
In the Mortal Battle with Enemy, don't let me die!
Give me Power!
Your Talisman!
The Key of the Victory!
Darkness falling to Yarila
Evil covered rising Sun...

All together God and Human In the Battle all as one!
Only Twilight of Gods on the fields of Battle.
Master!
O, Yarila! God of Sunlight!
O, Yarila! Defender of White!
White Power!
Darkness falling to Yarila
Clouds Covered rising Sun.
All together Good and Evil.
In the Battle against the Christ!
