Cript of Ice is breaking Flame of Fire!
Church of Christ is burning destroy forever
Blood of Fire swallowed in Black...
Red Horse of Armageddon!
It's a Saga of Immortal Heroes...
It's a Saga of Immortal Soul...
It's a Saga of Immortal Snows...
Paganism is wan!
Between the Light and the Dark...

Between the Summer and the Winter...
You, Hero of North, Wolf of Polar Snows, Ice Emperor...
You, King of the Woods, Lord of Fire...
Son of the Sun, Son of White God!
Arian!
All they - Immortal Heroes!
You Christ is Nothing!
God of Arian is wan!
My Arian Rage against you, rascal Christ!
