Looking Back On Yesterday  
Thinking Of A Million Ways To Save You  
Don't Recall The Starting Page  
The Ink Was Just Another Lame Excuse

We Read Through Verses In A Handout Of Your Life  
Had Enough Of Yesterday  
The Cover Put Your Guilty Face To Shame

Bleed For You  
See For You  
We Live And Die Through You  
We Adore You  
Shoving Your Face At My World

Standing Over Yesterday  
Thinking Of A Million Ways To Break You  
Family Ties Will Set The Stage  
Turn Their Backs And Leave You Here To Bruise

We See Through Scenes Inside A Movie Of Your Life  
Had Enough Of Yesterday  
The Trailer Gave It All Away

Bleed For You  
See For You  
We Live And Die Through You  
We Adore You  
Show Me Your World

Shut The Door On Yesterday  
Have You Got Some More To Say?  
Puts You In A Special Place  
Take My Fuckin' Life Away  
Bleed For You  
See For You  
We Adore You

Show Me Your World  
Now
