

Skywind "Fly"

Visit "[Fly](#)" on MotoLyrics.com

Falling Deep Within Your Space
Drifting Higher Than You Had Before
The Open Air Upon Your Face
Filter Memories As You Drift Towards It

Focusing Within Your State
Nothing Matters
Not The World You Knew Before
Another Time You Can Relate
The Winds Are Changing And Taking You By Force

So Now You're Floating Through The Air
High Above The Blue
Remember What You're Looking For
But Don't Go Sleeping
Don't Go Slippin' Away
Focusing Within Your Space
Taking Hold Of A Need To Touch The Sky
The Open Air You Can't Embrace
When All You Really Want To Do Is Fly
