Wake Up In The Morning With A Cloud In My Head  
Got A Real Bad Feelin' There Was Something I Did  
Don't Ask Me To Explain Why I Can't Stay  
Don't Ask Me To Explain It 'cause It's Just My Way

Hey, I'm Awake

I'd Like To Listen  
Hurry 'cause It Just Might Fade  
Got A Simple Explanation But I Keep It Away  
Don't Ask Me To Explain It  
Why I Can't Say  
Don't Ask Me To Explain It 'cause It's Just My Way

Hey, I'm Awake

Hey You  
Yeah You  
Hey I'm Awake  
It's My Day  
Don't Drift Away
