Fantasy Is Over-Rated
Come Back Home
Your Season's Changing
Hang Your Lifestyle Out To Dry
It's Heaven, Here For The Ride

Here, No Place Like Here
Down In A Cold Winter Spell
We Knew Too Well
There's A Price For Emotion

Click Your Heels
Close Your Eyes
Hold My Hand
Hold On Tight
Don't Look Down
There's No Time
There's No Love
There's No Life

Fantasy Is Over-Rated
Come Back Home
Your Season's Changing
Hang Your Lifestyle Out To Dry
It's Heaven, Here For The Ride

Here, No Place Like Here
I'm Out Throwin' Change To The Well
I Know Too Well
My Head's In The Ocean

Fantasy Is Over-Rated
Come Back Home
Your Season's Changing
Hang Your Lifestyle Out To Dry
It's Heaven, Here For The Ride

Ohhh€!you've Got To Believe In Magic
Ohhh€!but This Don't Look Like Kansas
No€!
