Hangin' On The Corner  
Of A Dead End Street  
And There Ain't Nothing Much To See

Traffic Light Flashing  
Green Into Gold  
But I Can't Find Somewhere To Go

Walking On The Thin Line  
The World Under Me  
What A Long, Long Way To Fall

Thunder Rollin'  
I Can Barely Hear  
Where The Band Fits To The Show  
I'll Believe It When The Skies Come Crumbling Down  
I'll Believe In You  
I'll Believe It

There's A Weight Hangin' On My Shoulders  
Telling Me I've Gotta Be Free  
Got A Weight Hangin' On My Shoulders  
Killing Me

I'll Believe It When The Skies Come Crumbling Down  
I'll Believe In You  
I'll Believe It

I'll Believe In You  
I'll Believe It
