The Rain Tastes Like Tears  
Adding Salt To The Sea  
Of My Life  
I'll Just Sit Back In My Chair  
Soaking Rays Of The Despair  
In Your Life

Why's It Gotta Be Such A Thorn In The Side  
For Us  
I Wanna Set You Free  
There's A Cloud Over Me  
I Must

Slipping Down A Road  
Down Into Another Hole  
Is So Nice  
Break The Higher Ground

Feel The World Crumbling Down  
But You're Right

Who Do You Gotta Be To Open Up The Door  
For Us  
I Wanna Set You Free  
There's A Cloud Over Me  
I Must

I Want To Show You What's Inside My Head  
I Need To Tell You Why I Broke The Thread

Suspended In The Air  
Flying Higher Than A Care In Your Mind  
Trippin' On A Stone  
I'm Falling Down  
A Broken Bone At Your Side  
But It's All Right

I Want To Show You What's Inside My Head  
I Need To Tell You Why I Broke The Thread

I Want  
I'm Waiting

I'm Lost  
Don't Save Me  
I Want  
I'm Needing  
You Must  
Forgive Me

You Must
