Sittin here  
Couldnt help hear you talkin to your best friend  
Say, you're not satisfied  
Things aint workin out with your girlfriend  
So your searchin for someone new  
Someone to hold you tight, someone to treat you right  
Though your girlfriends a friend of mine  
Heres my number and a dime, call me anytime

## CHORUS

Call me - if you need someone to talk to-a  
Call me - satisfaction guaranteed  
Call me - if you need someone to talk to-a  
Call me - call me!

She wasn't good to ya  
Was a prude to ya  
Don't like to do the things you like to do  
She doesn't do to ya  
The things she did to ya  
Show you lovin like she used to

Well, I been watchin you boy  
And I've got what you want, got what you need  
Though your girlfriends a friend of mine  
Heres my number and a dime, call me anytime

Instrumental break

H-tone phone dialing, ringing

## SPOKEN

Hello, how ya doin?  
No, she's gone.  
I figured I'd give you a call and see if you were serious.  
T this little place that I like to go to-a.  
It's kinda dark and quiet and...

Well, I been watchin you boy  
And I've got what you want, got what you need

And though your girlfriends a friend of mine  
Heres my number and a dime, call me anytime
