You're going round the circle through another phase.
Your temperature rising
you're wining and dining
A girl who's half your age.
She gives you all the business she gives to older men

And it's oh so understandable this ladykiller move.
There must be something bottled up
you think you gotta prove.

'Cause now that you're a member of something on the
side

It's number one

seven year

Can you control the bitch?
One

seven

can you control the itch?

To tell the truth you're old enough to be her Dad.
She ain't gonna let up

she wants you to set up a cosy little pad
Where she can entertain you and everything is free.
I can tell you always were a sucker for a pretty face.
The nights you're home a Romeo'll be there to take
your place.
'Cause now that you're a member of something on the
side

...

You tell the wife another business trip abroad.
It's getting too much
you better not touch
what you cannot afford.
I know it's monkey business and I've seen it all before.
And I know that you were overcome
when she told you you're the best.
You better believe she's saying the same to me
and all the rest.
'Cause now that you're a member of a little bit on the
side
