[1] Woh hohowho ho wohwohwohou, woh hohowho ho
wohwohwohou

You're going round the circle through another phase
Your temperature rising, you're wining and dining
A girl who's half your age
She gives you all the business, she gives to older men
And it's oh so understandable this ladykiller move
There must be something bottled up
You think you've gotta prove
Cos now that you're a member of something on the
side
Chorus It's number one, two and three, four and
five, six, seven year
Can you controll the bitch
One, two and three, four and five, six, seven
Can you -
controll - the itch
[2] Woh hohowho ho wohwohwohou,
woh hohowho ho wohwohwohou

To tell the truth, you're old' enough to be her dad
She ain't gonna let up, she want's you to set up
A cosy little pad
Where she can entertain you, and everything is free
I can tell you always were a sucker for a pretty face
The nights...
...to take a place,

Cos now that you're a member of something on the
side

Chorus It's number one, two and three, four and five,
six, seven year
Can you controll the bitch
One, two and three, four and five, six, seven
Can you
controll the itch (yeah)
[3] You tell the wife another
business trip abroad
It's getting to much, you better not touch
What you cannot afford
I know it's monkey business, and I've seen it all before
And I know that you were overcome, when she told you
you're the best
You better believe she's saying the same
To me and all the rest

Cos now that you're a member

Chorus It's number one, two and three, four and five,
six, seven year

Can you controll the bitch

One, two and three, four and five, six, sevenCan you
control the itch

Woh hohowho ho wohwohwohou, woh hohowho ho
wohwohwohou (2 times)

One, two and three, four and five, six, seven year - woh
hohowho ho wohwohwohou (6 times fading)
