Get up late the birds don't wait for anyone  
If your running fast the birds goes past too bad  
You get to work you feel a jerk the boss is mad  
He says you think we're on go slow  
You better get your cards and go go go

Chorus

9 to 5

You gotta break out in the night time  
You gotta make a weekend high time  
After 9 to 5  
After 9 to 5

Got no job you need to earn a bob or two  
Cos all your mates in this ain't state as you  
Lp's careers can buy your beers and pay your way  
Your on the dead end of the street  
Trying hard to make ends meet

Chorus

9 to 5

You gotta break out in the night time  
You gotta make a weekend high time  
After 9 to 5  
9 to 5  
You gotta break out in the evening  
Cos you never did believe in  
All that 9 to 5  
All that 9 to 5

Clockin' in and clockin' all the office girls  
Oh let me take you out tonight Joanne  
Will ya lend a fiver Ma I'm broke and I've got a date  
She's a cracking bit of stuff  
But she don't know when she's had enough

Chorus

9 to 5

You gotta break out in the night time  
You gotta make a weekend high time  
After 9 to 5  
9 to 5

You gotta break out in the evening  
Cos you never did believe in  
All that 9 to 5  
All that 9 to 5  
All that 9 to 5
